Request for Missing / Incorrect Information

Missing / Incorrect information is the biggest hurdle in data verification. In this regard we sent emails to over 900 graduates and requested to provide the missing information. So far hardly 20% replied to our email and provided the requested information. All those who received email from elections.alumni@qau.edu.pk are requested to reply at the earliest. We will be highly obliged.

This also worth mentioning that about 200 emails bounced back due to incorrect emails or any other technical reason. In such we will contact through our official landline numbers (051-9064-3038 or 051-9064-3202 or 051-9064-3051). Your cooperation in this regard will be highly appreciated.

We will contact you **only through above mentioned official contact numbers** of QAU Alumni Elections Secretariat. No SMS, no WhatsApp, no mobile call.
