### **AN UPDATE ON DATA VERIFICATION AND PUBLICATION OF VOTERS LIST**

We are thankful for your interest in registering in the official database of QAU Alumni Associations.

This is to share we received following registrations:

- |                                      |       |
|--------------------------------------|-------|
| a) New Online Registrations:         | 7,661 |
| b) New through emails:               | 132   |
| c) Old Online Registrations:         | 3,290 |
| d) Old Registrations through Emails: | 730   |
- A significant proportion of old registrations have double entry (also registered in new data base).
  - A sizable double entry is also found in new registrations.
  - We are facing serious challenges in the verification of records. More than 2800 emails were sent, and 900 phone calls were made but noteworthy entries are still wrong or incomplete. For instance, over 2000 registration numbers are still missing or wrong, 770 entries are without NIC number, 35 entries are without session and numerous entries have wrong sessions. Our staff is working hard, and it may take a few more days to publish the provisional voters list. All those who received emails or phone calls are once again requested to provide the requested information. Our staff will work on this coming Saturday and Sunday also.
  - This is worth mentioning that after publishing the complete provisional list, at least three days will be given for objections / corrections, but new entries in data base will not be accepted.

Kindly accept our apology, the provisional list of verified alumni will be uploaded in few days. Thanks for your patience and support.
