### CONSOLIDATED AND REFINED PROVISIONAL VOTERS LISTS (FIRST AND SECOND LISTS)

Dear Alumni,

The refined provisional lists (first and second) are attached for your kind consideration. The duplicates are removed, since it is a provisional list, errors and omission are still expected. **This is to mention that we received about 170 objections of missing names and corrections.** The objections are forwarded to the office of Controller of Examination. **Third and the last provisional list will be shared on February 8, 2024,** and we plan to publish the final voters list on February 11, 2024.

Duplicates are removed through following identifiers:

- CNIC Number: 262 entries are removed through common CNIC number. In case of multiple degrees, first degree is considered. This is to mention that still over 1500 entries are without valid CNIC number.
- Contact Number: 76 identical entries are removed through unique mobile number. This is also to mention that 132 entries are without valid contact number and few entries have same contact number.
- Registration Number: 154 entries are removed through common registration.
- Email id: 38 identical entries are removed through common email

**Note: Identification Code (ID) of this list will be used for future correspondence**

**Soon we will share the notification regarding minimum information required for participating in elections**
