### UPDATES ON REGISTRATION PROCESS AND ELECTION SCHEDULE

Respected all, we are thankful for your cooperation and patience.

- i. The process of data verification is already initiated. A significant number of data entries are wrong or incomplete, especially QAU registration number (written on degree) is wrong or not entered. In few cases the session (at QAU) is wrong, anyway session can be traced through QAU registration number. Therefore, the most important information is QAU registration number.
- ii. All those who submitted incomplete or wrong information may send correct information at [alumni.elections@qau.edu.pk](mailto:alumni.elections@qau.edu.pk). We will add missing information to your registration form.
- iii. Next week (from December 4), we will contact everyone individually for the missing information. Once the missing information is received, the modified data will be sent to the controller of examinations, QAU for verification.
- iv. The last date of registration is already extended till December 15, 2023. Alumni Registration Number will be allotted after the completion of registration process.
- v. Once the registration and verification are completed. The list of all verified alumni (only names, sessions, degrees and departments) will be uploaded on the website of Quaid-i-Azam University (<https://elections.qau.edu.pk/>). This will be the provisional voters list. The tentative date of publishing provisional voters list is December 29, 2023.
- vi. The schedule and complete process of elections will be announced after the publication of the final voters list. The final voters list will be available at <https://elections.qau.edu.pk/>.
