We have already notified (Reference No. AEC.QAU/2024-30, dated February 6, 2024) that online voting will be casted through mobile / email. **Only one vote will be casted through a single email account / mobile number.** Therefore, all registered voters should provide unique email id and unique mobile numbers. It was observed during the verification process that one email id or one mobile number was used to register multiple voters.

Since our focus was only to verify that applicant is a graduate of QAU, we ignored unique mobile numbers and email ids. It is also to mention that a sizable number of voters did not provided the mobile numbers, since mobile numbers were not required in verification therefore, we verified their credentials. However, **to cast vote everyone should have a unique mobile number, unique email id and authentic CNIC number. All verified voters who did not provided unique mobile number, unique email and valid CNIC numbers are requested to provide the required information before February 19, 2024 (2.30 pm). Kindly mention serial number and Identification Code (ID), as given in the consolidated provisional voters' list (Notification No. AES.QAU/2024 – 029, dated February 6, 2024).** Those who have already provided the information through Google Form are not required to resend the information.
