ALUMNI ASSOCIATION ELECTIONS-2024

General Instructions - 001

No. EC/QAA-001

February 27, 2024

Dear QAU Alumni, Assalam o Alaikum

It gives me immense pleasure to communicate with the membership of the Alumni Association of Quaid-i-Azam University. Being Election Commissioner, my and my team's prime focus would be to conduct Elections of the association in a fair and transparent manner.

Due to the geographically dispersed membership of the association, **online voting** is the only viable way to empower members living abroad or in different cities to exercise their voting rights. The election commission will subscribe a reliable and tested online voting platform for this purpose.

For online voting, valid email addresses of the members are **MANDATORY**. Therefore, all members are required to make sure that their email addresses, mobile numbers and CNIC number are correct and unique as the voters with duplicate/multiple email addresses, CNIC and phone numbers will not be allowed to vote.

Best Regards

Muhammad Anwar Ejaz
Election Commissioner
